

## KEY FACTS

# EUROPEAN VALUATION ADVISORY SERVICES

## ABOUT US

- In 2007 C&W valued properties worth over €235billion across Europe
- Across Europe we have over 140 dedicated professionals, speaking 17 different languages, leading global property valuations
- Our team is located in Belgium, Czech Republic, Finland, France, Germany, Greece, Hungary, Italy, Poland, Portugal, Romania, Russia, Spain, Sweden, Turkey, The Netherlands, Ukraine and UK
- We have dedicated valuation professionals in 27 wholly owned offices in Europe, with capability across the region through our Associate offices
- We operate as a single team in Europe and can provide you with a single point of contact to coordinate cross border valuation work

## OUR CAPABILITY

- Assets valued across Europe: office, retail, shopping centres, industrial and logistics, with specialist capabilities in hotels and leisure, self-storage, mixed use and residential
- In Europe we service over 500 clients including: Bank of Ireland, Bouwfonds, Carrefour, Corio, Deutsche Bank, DIFA, Eurohypo, Goodman, Hammerson, Henderson Global Investors, ING Real Estate, JP Morgan, Redevco, Rockspring, Rodamco, Royal Bank of Scotland, Shurgard, Sonae Imobiliaria, Vastned
- We use up to date technology for valuations including Circle, Circle Investor and Argus
- C&W rigorously follow: International Valuation Standards set by the International Asset Valuation Standards Committee; the Appraisal & Valuation Standards set by RICS; the Listing Rules of the FSA
